Case No. 2:18-cv-00479-APG-EJY

**NOTICE TO THE COURT OF
DISCOVERY UPDATE**

1 WHEREAS on September 30, 2021, the Parties filed a Joint Rule 26(f) report/proposed
2 discovery plan and scheduling order, setting out their positions on whether discovery should be
3 phased to prioritize class certification (the “Proposed Discovery Plan and Scheduling Order”)
4 (Dkt. No. 183);

5 WHEREAS on October 4, 2021 the Court ordered discovery to take place in Phases, and
6 ordered the Parties to submit an additional proposed discovery plan and scheduling order for
7 phase one of discovery that “shall include discovery necessary to prepare a Motion for Class
8 Certification, the Response, and Reply,” and “may include investigation into all elements of Rule
9 23 (including, but not limited to, predominance and superiority) and merits based discovery that
10 is necessary for the Court to meaningfully consider a class certification motion and any opposition
11 thereto,” and that includes “a deadline for written discovery, deposition discovery, and expert
12 discovery followed by dates for the Motion for Class Certification, Response, and Reply” (*id.* at
13 2);

14 WHEREAS, the Court further ordered “that in the event the parties are unable to agree
15 upon a Phase One of Discovery they are to advise the Court of the same on or before October 25,
16 2021. In such case, on or before October 25, 2021, Plaintiffs and Defendants shall submit
17 individual Phase One discovery plans to be considered by the Court” (*id.*);

18 WHEREAS on October 25, 2021, the Parties submitted their individual proposed
19 discovery plans for the Court’s consideration as they were unable to reach agreement on the
20 proper scope of Phase One discovery;

21 WHEREAS on November 8, 2021, the Court held a hearing with respect to the Parties’
22 respective discovery plans and heard arguments from the Parties concerning their respective
23 proposed discovery plans;

24 WHEREAS, the Court further issued an Order denying Plaintiffs’ Proposed Discovery
25 Plan and Scheduling Order, and granting in part and denying in part Defendants’ Proposed
26 Discovery Plan and Scheduling Order (Dkt. No. 198);

27 WHEREAS, the Court further adopted Defendants’ proposed operative deadlines for
28 Phase One Discovery, directed the Parties to engage in an additional meet and confer session no
later than November 19, 2021, and directed the Parties to notify the Court no later than November

29, 2021 whether the Parties have reached agreement on Phase One Discovery, and if not, to (i) identify the issues that are still in dispute; (ii) propose a briefing schedule for Plaintiffs' Motion to compel; (iii) propose three (3) dates on which the Parties are available for a hearing on such Motion; and (iv) address any potential changes to the discovery deadlines currently set forth in the Court's November 8, 2021 Order (*id.* at 3).

WHEREAS, the Parties have reached an impasse with respect to Plaintiffs' Phase One document requests, but are still meeting and conferring with respect to Defendants' Phase One discovery requests.

WHEREAS, Defendants reserve the right to seek a separate briefing schedule for any disputes concerning Plaintiffs' responses to Defendants' Phase One discovery requests, which the Court's November 8, 2021 Order expressly contemplated (*see id.* at 3).

The Parties hereby notify the Court that, despite several meet and confer sessions, they have been unable to reach an agreement regarding the proper scope of Phase One Discovery.

The Parties agree that the following additional subjects are relevant to class certification issues, and should be included in Phase One discovery: (a) whether and to what extent the alleged misstatements impacted the price of Wynn Resorts common stock; and (b) Defendants' defenses to Plaintiffs' class certification motion, including arguments and factual assertions raised in Defendants' opposition to class certification. However, there are disagreements among the Parties regarding the scope of those subjects, including the extent to which certain categories of requested materials fall within those subjects.

The Parties propose the following briefing schedule for Plaintiffs' motion to compel:

- Plaintiffs' opening motion shall be filed on or before December 8, 2021.
- Defendants' brief in opposition to Plaintiffs' motion to compel shall be filed on or before December 22, 2021.
- Plaintiffs' reply brief shall be filed on or before December 29, 2021.
- The Parties are all available for a remote hearing on the following dates: January 11, 13 and 14, 2022.

1 The current deadline for the substantial completion of production of documents responsive
 2 to document requests that are served on or before December 8, 2021 is January 7, 2022 (Dkt. 198
 3 at 1 (“Subject to rulings on any objections and/or discovery disputes, good faith production by
 4 the Parties of all documents responsive to document requests that are served on or before
 5 December 8, 2021 shall be substantially complete by January 7, 2022.”)). The Parties agree to
 6 an extension of the current substantial completion date of January 7, 2022, to fourteen days after
 7 the Court’s order on Plaintiffs’ motion to compel, but will produce documents on a rolling basis
 8 and in good faith.
